“ I and our Hellriegel's employees loved having Mike as a customer and more important having him as part of the Hellriegel family of friends. Everybody Mike met was a friend. He was always smiling and happy to talk with you. And he thoroughly enjoyed playing Bocce on Thursday night. Thanks for making the Hellriegel gang a part of your life.

“*I got to know Mike at Mentor High because we were in the same home room for 4 years. I saw Mike last school year and this school year because his oldest granddaughter played middle school basketball ball for shore and my youngest granddaughter played for ridge. Now they are both at Mentor High. They played 9th grade and JV basketball. They now are on the track team together. I truly believe he is now in a better place with no pain. You are in my prayers. God Bless you, Mike.*”
