

Michael "Mike" A. Boothe

June 28, 1980 - February 23, 2024

Michael "Mike" A. Boothe, age 43 of Mentor-on-the-Lake, OH, passed away on February 23, 2024 after a courageous battle with Leukemia. He was born June 28, 1980 in Willoughby, OH and is the loving son of Marsha and Thomas Boothe.

Mike's early years were spent in Euclid where he attended Holy Cross grade school, Villa Angela-St Joseph High School and later graduated from Euclid High in 1999. He moved to Mentor in 2009 when he met and married the love of his life, Jes. Together Mike and Jes built a life full of happiness, love and laughter. He was an amazing stepfather to Alec and Drew and was proud to call them his sons.

Mike loved nature and was happiest being outside where he truly felt free. Mike and Jes spent countless hours hiking in the rivers and woods with family and friends, hiking all across northeast Ohio. Mike loved rocks and was always on the lookout for his favorite rock, a bloodstone. He was an avid reader and loved the Warhammer series and even collected the mini figurines that he was going to one day paint himself. He was a treasure hunter and loved digging for bottles, finding some vintage or a unique piece on the side of the road, and searching through antique and thrift shops. He loved playing any game and played Magic the Gathering as well as other games regularly with his friends. He loved basketball and was a lifelong fan of the Cavs.

Quick with a joke and a smile, Mike never met a person he couldn't call his friend. He leaves behind his best friend of 30 years Tim Mazurik who was a constant companion playing games, just chilling and of course, their trips to the all-you-can-eat buffets.

Mike was a machinist at American Punch in Euclid where he made a lot of friends and was looking forward to going back to one day.

Mike leaves behind his loving wife Jes; stepsons, Alec and Drew; mother, Marsha Boothe, father, Thomas (Angel) Boothe; sister, Sydney Boothe; inlaws, Kathie and Scott Burlee; best friends Tim Mazurik and Michael Bruno; and countless other family and friends that Mike touched throughout his life.

Mike is predeceased by his maternal grandmother, Jean Hair; great-grandparents, Paul and Sue Trivisonno; paternal grandparents, Harold and Marion Boothe and brother-in-law, Charles Burlee.

The family would like to thank the staff at Seidman Cancer Center for always taking such wonderful care of Mike and being so kind to him throughout his illness.

I only knew Mike for a brief time, a few months before Covid shut down the world. I witnessed his excellent darting abilities, and was looking forward to the time when I could once again call him a teammate.

Apparently fate had other ideas, but I am happy that our paths did cross on this planet, albeit for a brief moment. My deepest condolences to his entire family and friends who were closest to him.

“ Mike always found a brilliant way to use goofiness and humor to make someone relax or feel comfortable. A kindness I witnessed him offer many many times. He could really make a friend out of anyone and talk shop, or sports, or weird news topics with the new person at any party. It seemed like “just Mike” when we were kids, but as you look back you realize how big of a thing it is to welcome, and include someone who is anxious or shy at work in a social setting. It was his character and it was beautiful.

I remember a Halloween party we threw when we were all roommates and Mike painted his entire body blood red for his devil costume. That was it. No horns or tail or pitchfork. Just a shirtless red devil in cargo shorts and Birkenstocks. We were finding red paint smears for months! I hope they eventually got the deposit back when they moved. Mike, on one hand it feels woefully unfair you had to leave us. On the other hand, some very lucky souls will have you when they get to heaven to greet them, put them at ease and make them feel welcome at the party.
