

Michael Vincent Murray

October 27, 1976 - May 9, 2018

Michael Vincent Murray, 41, died on May 9, 2018, in Pittsburgh, Pennsylvania. He was born to Sharon L. Murray and the late Edward J. Murray in Mayfield Heights, Ohio.

From child prodigy, playing the accordion given to him by his grandfather at the age of 4, to a brilliant adult musician with the rare gift of perfect pitch, Michael dedicated his life to sharing his talents with the world as a jazz pianist. Michael was preceded in death by his father, and his grandparents Nick and Dolores Tucci. He is survived by his mother Sharon (Mike) Dufala of Easley, SC; sister Dolores (Frank) Hemrich, and brother Jeffrey Murray both of Concord, Ohio; nephew Eddie Hemrich, and his teacup Pomeranian, Juju and, many aunts, uncles and cousins.

A celebration of Michael's life will be 4-8 pm Tuesday, May 15, 2018, at Brunner Sanden Deitrick Funeral Home & Cremation Center, 8466 Mentor Ave., Mentor, OH 44060.

“ *Words can't describe how unfortunate this loss is. I will never forget the time Jeffrey took me to their grandparents house. Mike was there too. Grandpa brought out an accordion and then mike started playing. He was so talented. The days at molinaris listening to his music on piano. He is up there having an accordion party with a lot of wonderful people who we have lost. Dolores and Jeffrey, I love you both so very much.*

“ When we were in second grade we both performed in a talent show in the basement of St. Paul's. Michael masterfully played a piece on his accordian and I fumbled through an acapella version of "sing a song". It may have been second or third grade when Michael sat behind me and would use his pencil to scribble on my uniform shirt. Friends!!

“ *My deepest condolences to Mike's family. Mike was a very special musician and a sensitive soul, who I am glad came through my life. We didn't do gigs together since I also play piano, but I had nothing but the utmost respect for his talents. I won't be able to make the memorial service because of work, but I will be there in spirit.*

“ My brother in arms, we first met in 1993 just a couple of kids really. I remember packing my 83 Cougar with your keyboard to drive you for those gigs all over Cleveland. Places like The High N Dry or The Bop Stop. I shall miss you deeply and I will never forget all of our deep conversations and adventures together. Nor our inside jokes and wild times that we shared. I am sad that we will never have those between us again. I am however, happy to have them at all. You will live on as a melody in my memory. Later man, - Corey

“ Hello, my name is Mandee, and I used to sing with Michael. I am so sorry for your loss, please extend my deepest condolences to his mom and family members. This is a tragic loss and nothing I can say will ever ease the pain of losing him. I am holding you all in my thoughts and prayers, and I am deeply grateful for your sharing him with us as a creative being and consummate musician.

I made a youtube playlist of music I had recorded and performed with him over the years, here is the link:

<https://www.youtube.com/playlist?list=PLoIKILam3CpIKVHbwdRD0qdAifuQF7RBr>

Here is a poem I wrote for him and gave to him via text message before it was too late... we will miss him forever.

*"Sweet soul who feels too much
Bright light in darkness touch
Loving ones to hold you
We try to console you just as much*

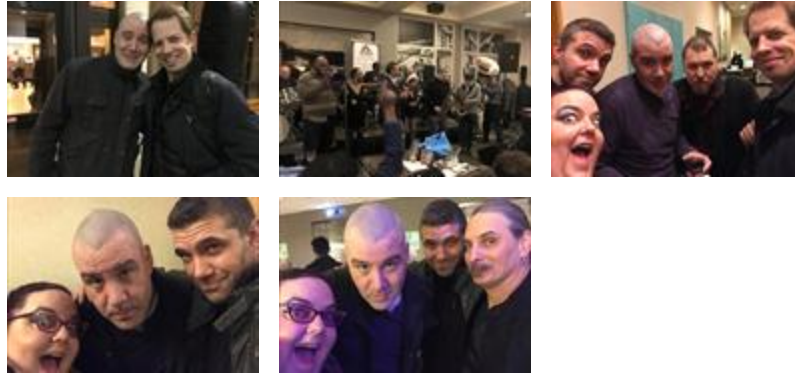

*As we can before you fly
Please don't leave us for the sky
You are needed and you are loved
Sweet misdirected man who wants to shove*

*To push away the lovers
And push away the friends
But I can push back too
And I know it's too soon to end*

*The songs been barely written
The melody as of yet unplayed
And I'm not done loving you
There are too many days*

*So please hold onto your tomorrows
And the songs they could become
Know that you're beloved
And our hearts they beat as one"*

My love to all who loved him, now and forever, Mandee

“ To my beek and very best friend: I brought you to Pittsburgh and this is where it ended for you. But my life didn't start until I met you. You were my first love and taught me everything in life that I needed to know. I don't know how to live in a world where you're not a phone call away. You've been there for me no matter what. You found love again and happiness and that's what carried you through the years. You gave me the gift of JuJu in 2007 and she became our child and our best friend as well and I sent her to you so you would have love when I had my first child. I will never forget you and I will always love you and I wish I could tell you that one more time. You are a legend, a miracle, a gift, a fighter, a lover, a friend, a teacher... you enriched our lives. So now we live on through your music and the memories we have with you. I love you forever and ever my beek.
