I was very sad to hear the news today of Mike's passing. Mike and I took a class together and became friends. We rode horses together years ago. May God bless you Mike and keep you close always and may God bless your family during this difficult time of loss. With heartfelt sympathy,

My heart is with your family at this very difficult time. Mike shared many memorable moments with me while teaching him in elementary school. His infectious laugh and smile will always be with me. I am deeply saddened.

I will always remember Mike as my childhood friend. We met when we were small at Bellflower, back in the days of BobbySocks. I will never forget his happy mischievous laugh and that dimpled smile. My prayers go out to The Osborne Family during this sad time.
