“ I'm truly going to miss bumping into him all the time. He was such a free spirit and loving person; and always made me feel better about myself. Always made me smile. Mike had that quality that made you feel better instantly. Loved and never forgotten.

“ This is Mikes Mom, Julie. First, I would like to thank everyone from the bottom of my heart for all of the love and support at this very difficult time for us. Michael was my first born child and we always had a close bond. Unfortunately, he left this earth way too soon. He will be truly missed by many, but as his Mommy, "that's what he called me" part of my heart went to heaven with him. Life will never be the same for those close to him. Michael Anthony, I know you are with us all. I love you- Mommy

“ I first met Mike when he started working at Getgo. I instantly had love for him as a brother and from there he met my sister and we would hang out with Mike, having great times and memories. No matter how tough of a problem you had or how bad of a day he had Mike would always put you before himself and make you laugh by making jokes, singing, dancing or any other way possible to make you smile. Many people thought Mike was weird...not me... Mike was my kind of person and way down to earth. He will surely be missed by many.

“ Julie, Lynn and I Margie Townhill are so sorry for your loss. We only knew you a short time as our nurse, but loved you all the more. We are not supposed to lose a son or daughter in our lifetime, but sometimes God has a better plan for those we lose. May God protect you and walk by your side in this time of grief. Love you, Lynn and Margie Townhill.
