“Dad,
This is your first daughter, Tammy Lee, I was not notified of your illness as you were absent most of my life, I am grateful and will cherish the window of opportunity I did have to know you but will miss most of all getting to have the father / daughter relationship that I so missed. You will forever be in my heart and I will cherish the letters, gifts and your air force ring forever as I do your memory...I always prayed we could have more time. xoxoxo your daughter, Tammy Lee
