“ My love to you all, as I said when Allen was here. All of us: Sherrie Sakal, Tyler Nichols, Marianne (Jackie) Crocker, Ted, Mark Barnes, Crystal Grimes, chief and closest mourner (she speaks for herself but I refuse to leave her out). We gathered quite often for cookouts; all at 52 Johnson apartments on High Street Painesville.

Our cookouts were full of fun. Watching Mike dance, Mark got up and danced so funny we all but fell out of our chairs. We turned on 105.7 AM, classic rock. We told jokes, quarrelled, made up, and did all the things close, dear friends do. Helped each other, shared. Mike made his immediate first impression as our security guard, driving out undesirables, We saw him as a kind man and a troubled man and nothing he did could make us not like him as he was, exactly as he was.

I think that was the key as he seemed to do better and better and we were amazed by his strength, and what he knew. I know in my personal life, so well, class comes from within. Be proud, at least, that he strove to be "a champ." I'd say he was, often, and a human being too, and that is what made him so special. I will never forget him and I learned a lot and had so much fun, and, I loved him too. "PTSD group member Judy" (It was our own group, I am 71.).
