“ *Tajana and Milan, I am so sorry for the loss of your dad. I have so many fond memories of him - and the neighborhood was a better place with him in it. I'll miss him calling us Stooges and always enjoyed ping pong and time in the pool. I am sorry I'm out of town and won't be able to pay my respects in person, but my love and prayers are with you and your families during this time.*

“ *RIP Milan. You were a great friend. I'll always remember you and your stories. I'll miss trying to lay your hair flat so it didn't stick up all the time. Say hello to your beloved wife and hold her tight. Love you forever.*
