“ Milena, the beautiful little pink rose flower/pot you gave me as a gift will be treasured forever. Funny, after I placed the roses in my big planter, (which we both enjoyed when you were here and are still thriving, BTW- YAY!), I ran across a packet of Forget-me-nots seeds that my Mom had given me years ago. It was last Sunday. I had just enough potting soil and fertilizer to make a happy little bed for the seeds in that little pot ...I shall await their bloom and think of you, my friend. I will miss you greatly.

“ Our prayers and love are for Milena and her loving family. We know what grief so many may be experiencing at this time.

*I was lucky enough to be with Philomena the week Milena was born, such a beautiful delight to both her mother and father! Philomena was hospitalized after coming home for heart valve failure. She fought For her life to fulfill one of her dreams of becoming a mother.*

*Unfortunately, we lost her too soon, and Milena so young lost her mother. I know mike Ashley & beautiful children will experience the same loss, of not only having their grandmother but the loss of their Beloved Mom. Her love for children is evident in the way she held each of her children in her heart. Let her eternal love and grace anoint each of your hearts. Milena now is with Philomena and Jean GGM, and all of those beautiful family members that will watch over and bless her children.*

*I can only imagine everyone coming together as a village for this family. I pray for each of you to strengthen in your love at this time of grieving and celebrating Milena's life and her beautiful children.*

*With Love, Donna and Jeff Strauss*
