“ Nancy was there to enter me into the world of nursing! She was the LPN who work the wing next to me on my very first nursing job. That is how we meet and after several years we asked her to do home care for my brother Danny. She loved that boy, and became part of our family then. She will be greatly missed.

“ *I only knew Nancy for 3 years...but she became a very good friend. Sometimes it felt like we had known each other our whole life. She always made me laugh and checked on me. We had more fun at the Goodwill store and farmers market. I am so sorry for your loss. I will miss her greatly. Prayer for the family.*
