“ Dear Ashley and family,
I am saddened at the passing of your Mom. Be assured you remain in my prayers. I will always remember your Mom as friendly, sharp, quick-witted, loving and kind. Your Mom told it as it was with lots of humor and a ready smile. Your Mom was always so positive and viewed life with grit and determination. How blessed you are to have such a Mom! You must be a terrific person! Hold fast to your Mom's love which will never leave you.
as an old friend of your Mom,

“ Ashley, although we have never met i remember how strong you were as a young girl at our father's funeral. Your Mother worked with me at Mr. Coffee and she also did work for Marotta Glazer Companies. When I think of my days at Mr. Coffee she is always the one person that stands out. She was always very competent and diligent in everything she did but more importantly she was a pleasure to work with. She always had a smile which made everyone around her appreciate her and made her a pleasure to work with. May she rest in peace.

Sincerely
Ed Harvey

Ashley, I am so sad for you that you have lost your Mom. I met Nancy when I was in 5th grade and we became best friends! We stayed friends through grade school, high school, and were in each others weddings. As life took us in different directions we did not talk frequently, but my life memories always include your Mom. When we did get together all the years fell away and it felt like high school again!! My prayers are with you. She was a wonderful person and I will miss her.
