“ I have many wonderful memories of my dear cousin, Nancy. But one I will share is the time she played a very difficult piece on the piano when we were teenagers. I can't recall it now, but I was SO impressed! I can still hear the melody in my head. She was talented and had a great sense of humor. I loved her dearly and will miss her.

“ Nancy was a “one of a kind” friend. She shared her talents with all her friends. Her creativity knew no bounds. Some of my most “reckless” crafting was done while laughing with her in her crafting room and nothing was off-limits since spontaneity was her middle name. We were so blessed to have her share her life and all she loved with us - she will be missed, but never forgotten. Sending my love and prayers to all of you.

“ She was an awesome friend and I love her to pieces. We shared so many fun and interesting things (think llama hike and zip lining over the Royal Gorge). Her creative talents were beyond compare, and she willingly shared techniques. We were all blessed to have her in our lives, and she will be sorely missed by so many. I'm so happy that we're put in each other's path.
Love and hugs to all of you.
