“ *The first time I met you it was at your 50th wedding anniversary. Lilly was a baby. The anniversary was so beautiful and was encouraging that true love is possible. Your family was one of the first to open my eyes to want more for myself. And you have always been inviting to my children and I. I thank you for the blessing and honor of having you in my life. I love you Nancy and know you are in the Lords hands and I will see you again.*

“ I am Bob Thie. Nancy Swert was and will always be my Aunt Nancy. Aunt Nancy was always first and foremost a very kind and soft spoken woman.

She was certainly adventurous and had the intellect to fly around and sail around to keep up with Uncle Cork. I'm certain she was the Captain when traveling by air or sea.

We lived in different states for many decades but at least on two occasions she

came out to Virginia to spend Thanksgiving with us. On one occasion our daughter injured her foot but no problem as Aunt Nancy put her nursing skills

and bedside manor into action to comfort our daughter.

Whenever I would call out to Michigan to check in with my Uncle Cork she would invariably answer the phone. I would ask to speak to

“ Congressman Swert” and she would laugh out loud. You have to know Corky to appreciate that comment.

Aunt Nancy would love to help and support people when needed. She enjoyed

serving others with her spirituality and humility.

On one particular occasion I reached out her over the phone for advice.

Next thing I know she sent a me a lovely note telling me that she placed

my name at the alter of St. Jude out in Chicago.

This was a positive life changing event for me.

I will be forever grateful to my Aunt Nancy.

May she rest in peace.

From me and my family our sincere condolences to Lori, Joy, and their

families.

Love,

Bob Thie
