“ *Wish we could be there to see everyone in person. Just saw the tribute post in Facebook an hour ago. I have many memories of Uncle Nick. Especially since we lived so close. So many days over their house for dinner and various informal visits. Spending nights there when Mom and Dad had to go somewhere without us. My thoughts are with the family during this time even if I am not able to be there. I hope that the wonderful memories he has left fill the emptiness his presence leaves and know his spirit is always near.
Much Love, Cindy, Gary, Ryan & Jennifer*

“ Rest In Peace, dear Uncle Nick. He loved his family with all his heart, and always said to give him a call from if I ever needed anything. He was a gentle man and his sincere smile was contagious. He welcomed everyone with a sincere kiss. He's at a big family reunion up there, hugging and kissing everyone!

I have a favorite memory of Uncle Nick, too. One time we were talking about his hearing aid and he told me that if he ever grew tired of what people were saying, he's just flip his hearing aid to "off" and the problem was solved! 😊😁 Gotta love him!
