“ One of my favorite memories together was a long time ago, our moms were friends and we came to your house. You had I love Lucy posters everywhere... I remember thinking your room was so cool and grown up. We played for hours as kids listening to music and laughing chasing each other around with “ the claw” lol from that day on I became a huge idol of Nicole's.. the way she did her makeup, how she decorated her room, her perfectly straight hair. Stacey and Nicole moved to our neighborhood where we grew up and eventually went to school together, I'll never forget telling her about a huge crush of mine and a week later she was dating him! Haha she was like a sister to me, We would go to the pool and wear our best bathing suits, walk to the gas station for a dr. Pepper (She loved dr. Pepper) one thing Nicole NEVER left the house without was a hairbrush, I think every 30 minutes she would brush her hair...She loved her little brother Gavin and was so protective of him and she had a laugh just like her mother, so contagious. 💕💕 She is going to be missed so deeply, I love you Nicole.
