“ Dear Jenny and family,

My sincerest sympathy to you and your family on the loss of your Mother. Her family, and especially you, meant the world to her. We had such fun at the basket auction events and good laughs. I think you and your Mom won the most baskets at the last event. She will always be with you in spirit. I am sure there will be a big burst of sunshine from heaven above when her grandson is born. A beautiful person has passed, your Mother, but her memory will remain forever in the hearts of all who knew her.

My heartfelt sympathy to you and your family.

“ *Dear Jeff, Jenny, Dave, and Bruno
Words cannot even describe how heart broken we are to have lost such a kind soul. Nina will be missed dearly. I have such wonderful memories of her. I am glad that I had the opportunity to have known her for over 20 years. She always had a smile on her face. Now She is smiling down on us at peace.*

I remember Nina when I had a problem at sears and she was so nice and solved my problem. I saw her in the mentor mall over a year ago and she remembered me and I remembered her. I was in Ntb and asked about her today and a manager told me she had passed. She was one of the nicest person's I have ever met and that's why I have always remembered her. Much LOVE to her family.
