“ Norm aka "The Roentgen Man!"  
An expert in Physics, Optics, math, X-Ray and Photography.  
Absolutely one of the best guys anyone could ever know and I was fortunate to be able to work with him at Picker. I really missed him when he retired from Picker.

Thank you Norm!!! You will surely be missed!

“ Thank you Uncle Norman for teaching me photography. I remember traveling around and doing close ups of flowers or going to the geodesic dome. I think of Uncle Norman every time I have a camera in my hand. I will miss Uncle Norman.

“ I worked with Norm for many years at Picker International. Great guy. We both loved to raise vegetables (especially hot peppers) from seed. I learned a lot from Norm and he was always greatly respected at Picker for his knowledge and persistence in solving problems.
