

Paige N. Lampman

December 8, 2007 - February 23, 2024

Paige N. Lampman, 16, of Mentor, died February 23, 2024. She was born December 8, 2007 in New Bern, North Carolina.

Paige was a 10th grader at Mentor High School. She was involved in the Marching Band, Art Club and Girl Scouts. Her hobbies were crafting, painting, skateboarding and jewelry making.

Paige enjoyed talking and hanging out with friends and spending time with her dogs, cat and lizards. She was a teacher's aide for PSR 2nd grade at St. Marys, she loved each and every one of the students. She was a Girl Scout for 10 years where she became very involved with community service. Paige's favorite places to visit were Myrtle Beach and Pigeon Forge, she loved the ocean and the mountains. She loved going on special trips with her Uncle Matt to reptile shows. Paige was always there for her friends and family. Paige was a little pack rat, she collected very unusual objects, like a Cheetos that looked like a dachshund, a leaf that was as red as fire, pop tabs of different colors and many odd shaped jars. She loved to sing and her favorite thing to do was to mix up commercial ads to make us laugh, they all ended with "and Doug". Paige was interested in becoming a Forensic Investigator and attending Bowling Green. She was a shining star to everyone around her. Paige truly made a lasting impression on all who met her.

Survivors include her guardians and maternal grandparents, Diane and Dale Frangos; uncles, Matthew Frangos and Bryan Lampman; mother, Christin (Nicholas) Reynolds; father, David Lampman; paternal grandparents, Marion and Roger Lampman; half siblings, Jada Cisco, Lincoln Reynolds, and Harper Lampman; her great grandmother, Joyce “Big Grandma” McCann; and many loving family and friends.

She was preceded in death by her Great Grandfather Ronald McCann, Great Grandparents Denny and Cathy Frangos, Great Uncle Denny Frangos.

“ My dad & stepmom (Denny & Jan) live next door to the family. For several years, I lived with them due to medical issues and always loved watching Paige ride her bike or roller blade down the street! She was always so friendly, kind, and very smart!! She would come over to pet the dogs when I would take them for a walk. She really loved animals!!
My heart aches for the family and I'm keeping everyone in my prayers for peace and strength during this very difficult time.

Your guy's heart should not go out to this treacherous duo, it should go out to the real family, specifically Christian Reynolds, her mother.
