“ *Carolyn I am so sorry to hear about the death of your mom. I remember your mother when I did meals-on-wheels. She was so nice and sweet to me. I still think of her when I drive pass her old apartment. She always talked about you and her brothers which she loved so much. You were blessed to have her as a mother. I will never forget our friendship and her kindness. May she RIP and may God bless you and your uncles.*
