“ I’m thankful to my mother for everything she ever did for me and my family! I’m grateful especially for all the wonderful things she did for me as a child, like making my Halloween costumes, all her great meals and desserts, all the time she spent with me, comforting me when I had to get shots from the doctor, singing me Irish songs, my 13th Birthday slumber party with scavenger hunt, and my awesome graduation party! For all these things and many more, thanks Mom! I will always love you and miss you!—Charlene
