“ My name is William Myers; Pat's brother. I have many loving memories of all three of my sisters, but if I have to note just one of Pat, I think it might be the night my mother, and I attended Pat's high school graduation; held at Lake Erie College in Painesville, Ohio. I was ten, and was so proud of her. I remember watching her receive her diploma, and thinking how proud dad would be, for he passed away some months prior. I felt sorry for Pat, for I knew she hurt badly that he was not there to see her graduate, but then he was there. I'm certain of that, just as certain as I am that Pat is here beside each of us now, and always will be.
