“ I wish to offer my prayers and sympathy to Pats family. I worked with her in the Chardon School System and she and the rest of us had a lot of fun! My fondest memory of her is how she laughed and laughed at things that struck her funny! Please accept my sympathy. Sincerely Carole

“ We send our deepest and heartfelt sympathy to Diana and Mark and their children. I have so many wonderful memories of Pat. Pat is the one that taught me how to make homemade whipped cream and gave me the recipe to the strawberry pie and taught me how to make pies. I loved spending time with her sitting and talking on her porch in Florida and making aprons for dish detergent bottles with her. She was a wonderful friend and neighbor and I loved her so so much. God bless you, Pat. You made so many wonderful memories to stay with us all for a life time. Love you all. Janice and Shon Goldsby
