“ Dear Pat, I couldn't have asked for a better friend and neighbor than you. You were my eyes and ears when I wasn't home. I miss you something fierce. Every time I leave my house, I look over and think of you. I wish we had gone more places together. But I will cherish the times that we did have. The craft shows, and the Olive Garden. I'll miss our talks over the hedges the most. No more suffering girlfriend. Only joy from now on. Love, Lois Keeling

“ Dear Patty,
You and all of your family members are in my thoughts and prayers. We met in High School and became best friends. So many happy and fun times we had! Many years later we ended up working together and the fun continued. I am sorry we drifted apart. All I have are great memories of our time together. You were such a beautiful person inside and out. Anyone that knew you, was blessed you touched their life. Thank you for being part of mine! You will always be remembered lovingly. We will meet again my dear friend.
Love,

“ I have very fond memories of Patty. In my childhood when Patty and Kathy would come to town or we would go to Cleveland, it was always a fun time with them. Patty always had a smile on her face, was always kind and gentle. She will be missed a lot. Rest In Peace Patty, Love You!

“ So many memories. All good. Patty was a special flower, true to her mother's heritage, that encouraged everything around her to blossom. Her song is over, but that loving melody will linger forever.
