*I met your mom through your dad while ushering with him for so many years at St. John Vianney. He spoke of his grandchildren so often. I am deeply saddened to hear of your mom's passing. You had wonderful parents. My prayers for you and your family as you travel this difficult journey.*

*Our family sends our love to all of you in the cherished memory of Pat. She has always been one of the sweetest and most caring people I have ever known. I still remember many summer evenings sharing time with you when we were growing up, those are some of my most cherished memories of those visits. We are sorry that we cannot be there in person today but Pat and George and all of you are in our thoughts today.*

“ *Laura, Tom, and family, your mom/grandmother was truly wonderful! A dear and special friend for almost 20 years, I treasured time with her. I loved her smile, her warmth, and her sense of humor. I am so sad about her loss and I miss her. Pat was very special and now she’s in Heaven with your dad. You all are in my thoughts and prayers.*

*Patty was one of the “good ones”. I was one of her classmates at Ursuline and never saw her without a smile. Her large group of family and friends have suffered a great loss, but I know she will be greeted by an even larger crowd of friends in heaven. God bless you, Patty.*
