“ Thinking about our cousin, Patty, brings back a host of warm memories of being together with her. As a child when Grandma and Grandpa visited us talking about Patty always brought happiness in conversations. It is Patty's delightful sense of humor, ever ready radiant smile, generous and hospital nature that immediately come to mind. I treasure our warm conversations together and will not forget her loving spirit.

“ *We never met Mrs. Walsh, but are good friends with her son, Dennis. We know what a great lady she was because of the type of person Dennis is - unfailingly kind, ethical, generous, humorous, and very much family oriented. You all have our deepest sympathies; we know you'll miss this wonderful lady.*
