“ I still can't believe this rock of the family is gone... I miss her. She had SUCH a beautiful soul and was the last of six role models in my life. I have been blessed with two sets of in-laws that were soooo very gifted and kind! Rest in peace all of you! I still think of you often!

“ To my friends, the Winter boys. My sincere condolences on the passing of your mom. I have many happy childhood memories at your house & treehouse. Your mom always welcomed me, fed me & even entrusted me one year to watch over your house when y'all went on vacation. Simply put, she was awesome. Gods peace & comfort be with all of you & your families. Rick

Thanks for the kind words Rick. I can't argue with your words. She was a special person that helped form a lot of kids both in kindergarten and our backyard.
