“ *I met Paul at my store in Kirtland. Paul loved chatting about his family, dog and life in general. He always had encouraging words if he knew I was having a not so good day. He was always positive. See you on the "other side".*

“ Paul was my dads best friend. I was extremely blessed to have Paul in my life. He was always the life of the party. Always making us laugh, pulling silly pranks on my dad. My heart aches for his daughters. I will cherish the wonderful memories I have. Love and miss him dearly.

“ My condolence to Paul's family, I have known Paul for many years, we both are in sales, and would meet every year, to talk not just about work, but our families, and life in general. I will miss him, he was an exceptional person. You don't often meet in this type of business, today. May you rest in peace old friend!

“ Paul will be GREATLY MISSED by the Bennett Family (Russ, Carol, Scott & Steve) of Berkshire Hill Drive. We'll always remember Paul fondly as a good friend, neighbor and dog lover plus he liked my stuffed peppers! We'll never forget the day that Ike & Paul stopped by our house looking for our Doberman "Ace" who was Ike's buddy. But Ace was gone due to cancer. Ike came to our front porch and howled so loud as he looked for his buddy. Paul and I held hands and cried. So Paul please do us a favor now keep an eye out for ACE up there...he'll be great company for you! Until we meet again my dear friend. With many thoughts and prayers to his family, Love, Carol & family

“ To Paul's family i am very sorry for you loss. To describe how i saw Paul I am going to use a crossword term "ONER" something unquie, one of a kind, something you may never see again,Please take this as a good thing I think he tried to everyone as happy as he could in his family and business life. But in business it was not always his decision.I met Paul in the business part of his life and we become friends. We would of met sometime in the 1990's. Just about every year we would tailgate and go to a Browns game. Then come spring he would would come come to the Toledo Mud Hen home opener with plus one or two other games during the season, Just remember the good times and let the bad time go.
