“ I knew Penny Combs as an incredible mother to my dear friend Meaghan, an amazing cook as I was blessed to have many of her homemade meals, and an unforgettable smile and laugh that could warm up the entire room. I know your legacy will remain in your children and my Meaghan.

“ We met in our 20's while working in the CVRU of the Cleveland Clinic. Steven was a resident. We had so many good times together especially drinking "green fire" (chartreuse) at Night Town restaurant where we frequently met for dinner with our friends. There was always fun, lots of laughs and great food wherever Penny and Steve were including the ski resorts in Vermont and Alabama too. I can only hope to be the kind of Grandma Penny was to her grandchildren. Her love for her family was paramount and she was very proud of her children and grandchildren. I will miss her more than words can express!
