

Peter M. Gill

October 12, 1977 - April 8, 2025

Peter M. Gill, age 47, of Eastlake, OH, and formerly of Mentor, passed away peacefully on April 8, 2025, at the Cleveland Clinic Main Campus. He was born on October 12, 1977, in Euclid, OH.

Peter was a proud son of Cleveland through and through. His heart beat to the rhythm of his city - whether he was cheering on the Guardians at the ballpark, catching a Cavs game (where he once delighted the crowd during a halftime free-throw contest), watching the Brownies in his favorite cozy gear, or simply soaking in the energy of a concert or a night at the movies. Along with his great love for The Land, you would never catch him missing a Buckeyes football game. He was a proud alumnus of Ohio University, and his trips back to campus over the years were times he looked forward to significantly. He had a gift for bringing joy into any room he entered, and his laughter - loud, giggly, and contagious - is something all who knew him will never forget.

More than anything, Peter cherished the moments spent with those he loved. He had a deep appreciation for connection, for storytelling, and for making memories, both big and small. Whether gathered around a table or sharing a quiet conversation, he made people feel seen, heard, and valued.

Peter is survived by his loving mother, Mary Ellen Gill; his beloved daughter,

Gwyneth Gill, who was the center of his life; his devoted girlfriend, Ashley Foytik; his supportive brother, Daniel Gill, and caring sister-in-law, Yi-Ruei Chen, his cherished nephew, Dylan Gill as well as aunts, uncles and cousins.

He is preceded in death by his father, James Gill, whom he greatly admired and carried in his heart.

Family and friends are invited to gather and celebrate Peter's life on Friday, May 2, 2025, from 4 to 6 p.m. at Brunner Sanden Deitrick Funeral Home & Cremation Center, 8466 Mentor Ave., Mentor, OH 44060.

Peter's spirit lives on in the laughter he shared, the love he gave, and the memories held by all who had the honor of knowing him.

In lieu of flowers, contributions may be made in Peter's memory to the Leukemia and Lymphoma Society; online at <https://www.lls.org/>

Offer condolences at www.brunners.com.

“Pete was a wonderful person, He had a way of listening that made you feel like he truly wanted to hear what you had to say, made you feel heard. He was a great storyteller ,and could make almost anyone laugh. I remember being a tagalong kid visiting him at OU for Halloween, and even though he was older , and probably didn't want us there, he made us all feel included, and welcome . It was a privilege to know him, and an honor to call him my friend.

“I had Pete for 8th grade American History when he was a student at Memorial. I enjoyed having him in class. I am sorry that he has passed away. Rest in peace.

“Pete was a great person
He was loved by all who knew him. He lived his life to the fullest but it ended far too soon. He will always be remembered. His quick smile and infectious laugh will not be forgotten. God wrapped his arms around him, took him to heaven and united him with his father. It's a great loss for all of us

“Pete was one of the funniest, kindest and most personable people I have ever known. He was my next door neighbor freshman year in Brown Hall at OU. He was the guy to know on our floor from week one. Somehow he knew everybody and everybody gravitated to Pete. He was always ready to laugh and have a good time. We would go to Schoolkids records on Court Street whenever we had a few extra \$\$ for CDs. I remember the day Pete bought Tool Aenima and we listened to that record constantly for the next few months. I deeply regret not staying in closer contact with Pete after college. We all get so busy in our day to day and can lose track of what is important-
I am glad that i got to spend the time with Pete that I did, but wish I had more time.
I am so sorry for his family and loved ones. He will be missed. I am devastated by his passing.

“Pete was one of the nicest people I have ever met. I hired him into one of his roles at work and from that day, he made every day happier there. Got the pleasure to work closely with him for years. Favorite memory is easily when the team and I dressed up as Pete for his farewell lunch. Fake beards, baseball hats, and flannels. Condolences to the family. I will miss him dearly, he was very loved.
