“ I'll always cherish my memories of Ray and the many fun times that my late husband and I had with he and Karen. His quick dry wit, intelligence, his laugh and smile. I loved him as a dear friend. Glen and I send our condolences to you Karen and the family. He was well loved and he will be missed by many.

My condolences Karen, this is cousin Denise from New Jersey. I wanted to call you but don't have a god number. I have fond memories of you both and enjoyed your visit a few years ago. As things happen and we get caught up with day to day, I apologize for not reaching out sooner. Ray was a wonderful man and we will miss him so eventhough we have not seen you both recently. Please give me a call at (609) 707-4049. I'd like to talk. If for any reason, I don't answer, please leave a message.
