“ *I loved Reba! Her genuine caring, contagious laughter and her sheer joy for life are all hallmarks of her life. I use to get in trouble with this beautiful woman. One day, we met in Judge Weaver's courtroom when the court was in session. Afterwards, we went to the judge's chambers and proceeded to tell him he made the wrong decision. Reba and I were relentless. The judge just smiled and I stopped talking when I saw the tootsie-roll-pops. We laughed many times about this event! Together, Reba and Judge Weaver set an example for all of us to follow. I'm happy they are together again and in the living hands of our Lord. Thank you for sharing your mom and dad with all of us. Blessings and much love.*

You have always been the kindest, most giving aunt and we all cherish your memory. You exemplified the absolute best in family, love, and humor with a zest for life that was unsurpassed. Rejoice now with uncle Bill and all your loved ones. We've got this down here thanks to you and all of them. Until we meet again, know I love you.*

“ I am so sorry to hear of the passing of Mr. Weaver. I only got to meet once and it was during the winter storm of 1978. I was bringing home their niece Joy home from work at Higbee's when the key broke off in my cars ignition. The Weaver's let me spend the night until my dad could bring me my spare key in the morning. The night Mrs. Weaver went into labor with William and Mr. Weaver had to drive to Lake West in the storm so Mrs. Weaver could give birth. Sending my prayers for comfort to all who loved Mrs. Weaver.
