“ In the obituary, Becky's future sister in law, Kimberly Davis and
Becky's niece, Leah Davis , we're left off the family list. Becky called
Kimberly sister and loved her niece Leah. They teased each other
all the time. She will be missed by them. Sorry for the error.

“ Brian I am so glad we met Becky and you through our little Kaiju
club. Know that Becky is with the Lord. "To be absent from the body
is to be present with the Lord". Find comfort knowing that she is
there looking down knowing how much she meant to you and that
she is still with you always.

“ A person that departs from this earth never truly leaves, for they are still alive in our hearts and minds, through us, they live on. Please accept our condolences, she will not be forgotten. Becky was my very first friend when I started 7th grade and introduced me to my loving husband of 32 years today.

I love you Becky!!
