“ Dear Henderson Family,
I am so very sorry for your loss. I worked with Rick at General Electric. He was a very kind, smart, and patient man. He readily shared his knowledge and expertise with me as I moved to his department. Rick was a very special person

“ RIP brother! 😞 God be with your family. I'm sure you remember a lot of stories of yesteryear of Tim, you & I...one in particular involving my little brother Ricky & my mom at the upstairs window when we were sleeping out in the backyard 🙄...had to be over fifty years ago! Catch ya in the next round. Love ya, Harley.
