“ *I first met Richard while I was working for Zagar Inc. I designed brochures and he handled many of my printing needs at Emerson Press. He was one of the finest men I have ever known. He attended my wedding in 1985. His expertise in his field was fantastic and I relied on that expertise. Our chats over coffee I'll never forget. His humor was contagious.*

I haven't seen him in many years, but that does not mean I ever forgot our friendship.

I have thought of Richard often and am fortunate to have known him. RIP dear friend and if Heaven needs printing...You're the man! My deepest sympathy to you all. He will be missed greatly.
