“ I was so saddened to hear of Dick's passing. It was not that long ago that he & I had an electronic message exchange and spoke of getting together the next time I was in Ohio. Dick & I worked together @ Avery from the early 70's and all through his Chemsultant years. Many of the Chemsultant staff are also former Avery associates. Always one to lend a hand, offer insight & advice or simply provide some good humor. He will be missed by many, many people.

“ Judy, Keith and Jennifer,

*Please excuse our absence at the services for Dick. We were in Dallas with family. Even though our reunion was short in duration, it was clear how much Dick loved his family, and how proud he was of you three. I was honored to be his friend.*

“ Keith and family,  
I was so sad to hear you lost your Dad. He was such a special person. I can't believe it's been over 30 years since we worked together at Amaric. He always made me laugh. The last time I ran into him, he invited me to stop by and your Chemsultants! He was so proud of the business your family built together!!  
I wish I would've visited him. He will be missed.

*I thank Dr.Maleek, He helped me with a quick cure for my fibroid of more than 5 years, and its size was 9.7 x 10.9 cm. Then I started taking the medication which he sent to me for only one month and I am now completely cured. I could do without surgery, now I can live like any normal person and I can eat any food of my choice and I am now a month and three weeks pregnant, so if you need such help, contact him via whats-app +2348139565427 mail:*

“ *Judy, Keith, Jennifer & families,*

*We have only great memories of your Dad and his unique sense of humor. He was a kind and generous man and will be sorely missed. All our great times at the Fern stand out in my mind and his ability to use his talents to make those excellent Bloody Mary's. He was a great participant in the pool also (again he never actually went in the pool, just watched the ladies from the balcony). Judy you were always the light of his life and we know it will be awhile before you find peace without him. Please know that Jim and I know first hand how hard it is to lose someone you love and we will keep you in our prayers.*
