“ *Uncle Rich loved to do everything with passion. He enjoyed building homes and taught his son Milton that continued in his footsteps. His family was so important to him as everyone knows how he cared and worried for them all. We really had such good times with him and was glad to have Rich and wife Janet move by us in Florida. Rich enjoyed so many things in life. He had me laughingnow crying. He knows of God's promise when death will be no more and God will make all things new on earth. Rev.21:3-5. And boy! I look forward to giving Uncle Rich a big hug when I see him and seeing him smile. 💕💕
