“ *Condolances to the family.
I knew Rick as the tireless purchasing agent always looking out for Lincoln and the folks on the shop floor. He was never at a loss for ideas on how to improve and supported ever initiative that was tossed his way. I enjoyed my interactions with Rick and no matter what crazy idea or requirement we tossed his way he always seemed to find a way to get it done and always with a smile. I owe him more than a few thank you's for making Lincoln a better place to work and sure that all who knew him would agree.*

“ *My sympathy to the entire family. My father was also at Symphony at Mentor but for a very short time. It's an awful disease and I do pray he rests in peace. My heart goes to those left behind. He was too young. I'm so sorry.*
