“ I have fond memories of when Dave, Bob and I played baseball together on the Chester American Legion Little League team. We won the championship one year and got to go to Cleveland for a baseball game. Bob Miller was our coach. At the end of the year, the Bowersock's had a cookout for the entire team. That was 60+ years ago and I can still remember the days at Myler Park, and Thompson Park What a nice family they were.

“ I knew Bob for about two years, playing golf a couple of times a week together. What a great guy, always upbeat (even when he missed a short putt), easy to talk to, especially about Italian food. He helped me make the right deal in a car purchase decision. We all miss him and will keep him and you in our prayers.

“ I knew Bob through our golf group. He was always fun to be with. Couldn't he hit a 3 wood a lick, but would not quit trying. He talked about his family and the fun times he had as a Browns fan. Good man.

“ *Him and his wife are my parents best friends. He knew me since I was born. At just a few weeks old I was laying on his couch. They were there my entire life, for graduations, and my wedding. I look forward to the day that I tell him again "William is picking" and watch him laugh hysterically. I love you Bob. Until we meet again. There are no bogies in Heaven, only birdies.*
