“ *Linda (Fraz) and family,
Bob was such a genuine nice and funny guy.
I'll never forget when he and Viv started their world travels. They
once went to Paris and had dinner at the finest restaurant, Bob
ordered Vichyssoise and complained to the waiter that his soup was
cold, when the waiter explained, he said he turned three shades of
red....He loved laughing about such down to earth things.
Celebrate his life and his legacy, I know you all will miss him very
much.
Love and snuggles,
Tom*

“ Growing up next door to Bob Frazier and his family on Idlewood Dr. helped to make my childhood an unforgettably special time of my life. Mr Frazier was always very friendly, helpful and VERY funny. He was more than just a neighbor. He was a great friend to my family! I will miss you " Big Bob!" I am confident that you and Rudy are together again and enjoying each other's company, just like the " good old days."

With much sympathy-----Lisa Holpit and Family

“ I am sorry I cannot get to the service since I have three doctors appointment next week here in Naples. I will remember Bob as someone who always had my best interest at heart and was a loyal friend. I will make a donation in his honor to the Palliative Care unit at Cleveland Clinic. He remains with us in our hearts and mind. Rejoice in the great memories and the wonderful times that were shared.
