“ *Bunni, Shawnie, Alex & Devin, I am so sorry about your loss.*

I must tell you that you chose a wonderful picture of Bob for his obituary. You can see the joy he was feeling at the moment that picture was taken.

Bunni, I will be in touch with you after things in your life calm down a little. I KNOW how you are feeling.

“ *Years ago, while telling my dad how ridiculous I thought the Jersey Shore show to be, he looked at me like I was crazy & got me to watch an episode with him. From then on, we were hooked & spent so many nights pounding out Jersey Shore marathons he had recorded, where we laughed so hard & he kept me up, even when I'd start to fall asleep for one more episode. Regardless of the time spent laughing, traveling, camping, as a little girl dancing on his toes or just sitting in silence together, I am honored to have been his daughter & grateful to have had him in my life as long as I could. I hope I have or will make him as proud of me as I was to have him for a dad. God will I miss him.*
