“ I met Bob when I bought his machinery when he retired. I have been a tool and die maker now for 47 years. Bob and I hit it off great from the beginning. His wife Ruth was a sweet heart. I too have retired, to South Carolina, but still working part time as a tool and die maker. I always enjoyed their company when I would stop by to say hi. They both had a special place in my heart. I was saddened to hear of their passing.
