“ I have many memories of Bob from growing up with as the Michigan cousins. He actually felt like more of a brother than a cousin. I remember me riding on the handlebars of his bike on I90 at the end of 250th before it opened up he rode at least to 200th and back.many great memories from cottage, where that big guy got up on water skis,that was something! Me ,Bob and my brother Nick did a lot of exploring at cottage tracking down abandoned gold mines deep in the woods. Just a lot of fun in Ohio,Canada and here in Michigan. My memories are vivid but my heart hurts for all.Bobby,Elizabeth,Jeff and Inez all the grandkids and nephews and families I Love you all and will miss him with you until we meet again. Love, Denny
