“ Dear Mr. & Mrs. Muzic, brothers & sisters... I am so saddend to learn of the passing of my childhood friend Bob from Mountain Park Drive during the 1960's & 70's. I see his picture today and clearly recall that same smile & brightness in his eyes that I saw in my friend 40+ years ago. May the entire family remember all the happy memories of Bob as son, brother, father, husband, grandfather & friend. In our memories Bob lives on until we all meet again in God's presence. God Bless all of you. Rick Koch

“ Certainly one of the kindest and most likable people in our graduating class at St. Joe, and he was a true Viking in every sense. We all only have pleasant memories of him which is a testament to his character. He probably only improved those qualities the last 42 years.

“ "I've seen sunny days that I thought would never end. I've seen lonely times when I could not find a friend. But I always thought that I'd see you again."

I always enjoyed playing Name that Tune with you Bob and singing when you played the piano. There will never be a day when a James Taylor tune is played when I don't think of you. I can't believe I've known you for 40 years! I've called you family for 36 years. I see that wonderful smile and know that behind it there were many struggles... but... always a smile. I'm so glad those struggles have ended and you are at peace. "I always thought that I'd see you again."

Love,

Lisa

“ *I've known Bob and the family since 1989..Bob always had a sweet smile on his face and didn't have a mean bone in his body..He always called me Chell..and he would always ask how my mom was doing overtime i see him..*

Bob was one of the sweetest man's I've known. He was caring and very smart. He was good at playing the piano..i got to hear him play it a few times..He had hard times with things but i'm just glad he isn't hurting now and he is at piece..Bob i will miss you..Chell
