“ My papa Bill Myers was the best papa I could ever ask for we did everything together. I remember me and my mom Colleen Cleary would go to Chick-fil-A to get him a vanilla milkshake. He would always put others first. I wish my darling was here today. 😭

“ Mr. Myers was always there to drive us home every weekend when Colleen and I was at University of Toledo. He knew we missed home a lot. He was funny with his jokes, stories, and comments. I was shocked and sad by the news of his passing. He was and is a great man.

“ Billy was one of a kind! He had a heart of gold and was so kind to everyone. Picnics will not be the same without his potato salad and his help in making Spec!

We are truly blessed to have had him in our family and will miss him.

“ My dad was the best! He always put others first and only wanted everyone to be happy. The important things in life were family and friends and not material things. It will be hard to fill the void he has left behind. Thanks dad for everything.
