“ One time when my sister Doe and I came with our parents to visit Granma Borso, Bob came to take us for s ride in his Jaguar. As younger cousins, we thought this was the end-all :)! Nearing Granma's house, the car died at the bottom of the hill! It never started-so we three pushed that car up the hill to Granma's house at the top of the hill! We have always had that memory and many laughs thru the years. A great man who filled many lives with memories and love-you will be missed by all. Thoughts and prayers for this family and friends. Doe Durkee and Dee Durkee Hamlet and family-sending our love
