“ *Mary and family,
We have know you and Bob for over 22
years, he was one of kind, he would always
come over and strike up a conversation with
us and he always picked on Aubrie. He would
always come over and take our cans up to our house when he got
bored. He always picked on Aubrie and her cousin Maelle and told
them he would like to bump their heads together, he knew how to
make us laugh, and he told Aubrie one day when she was going to
karate, she better get that Black Belt and she told him she would
and she did.
May you rest in peace Bob, we will miss your laughter and
conversations with you!
