“ Brian and Anna and Caitlyn, our prayers are with you and we are so so sorry for your loss. Though we did not know her real well, Bobbie was such a kind woman. We met her through Brian, her son, back in 2000, and every event for the family, she was there; she was such a good grandmother and mom! One thing we remembered were her Himalayan cats, which was one reason why we got ours!! Most recently, she generously gave us the piano from her home, and as a family of music lovers, we will be forever grateful. Thank you Roberta.

“ May you rest in peace Aunt Bobbie. I did not get to know you real well due to living in different states, but last year you kept my spirits pumped and had your prayer warriors praying for my brother and I during the bone marrow transplant. With deepest sympathy from KY. Leslee, Allen and Ashlee Skees

“ I was priveleged to know and work with this great lady in Tetelestai for many years. Always honest, straightforward, and a woman of God to the very core. May you hear the Lord say "Well done, good and faithful servant" as He welcomes you home. Blessings of peace, comfort and hope to the family.
