

## Robin Hamblin

March 27, 2021

Robin Hamblin, age 54 of Cleveland, OH passed away March 27, 2021, at Euclid Hospital after a courageous fight with cancer. He was born in Painesville, OH.

Robin is remembered as a kind soul to many, a wise man to all who engaged in conversation and is especially known for embracing new ideas and concepts as a daily practice. He was an integral part of the operations at both Bud Industries and Lincoln Electric and most recently spent time working with Our Lady of the Wayside. He spent his earlier years as a football star and a 1985 graduate of Thomas W. Harvey High School in Painesville, OH (alongside his brothers). His interests lie deep in establishing a foundation for his family's legacy and the exploration of space. Robin would want everyone to remember " ...please know that you are never alone" a quote from Robin in his self-published book "Always part of You".

He is survived by his children, Cassandra E. (David) Kelly Miro, Robert L. Hamblin, Lauren M. Hamblin, Meghan E. (Jordan) Violet, Dianna M. Hamblin, and Glenn R. Hamblin; brothers, Ren and Tim (Nancy) Hamblin; twin-brother, Ricky (Vicky) Hamblin; former wife, Susanne E. McCoy and other loving family. “ Robin was always quick with a joke and a joy to have come into the Library. We soon became friends and he is someone I will miss dearly. Heaven certainly gained a beautiful soul. Kiddos I am so sorry I know how close you were to your Dad. He will always be your Angel above to watch over you!

“ Daddio,

*Please wake me from this nightmare!!! Lost you at such young age where I am still launching my life. I'll never understand the mystery of life, but the time I had with you, I will never give back.*

*You were my best friend and real-life superhero. Since I was child, I always saw you as Superman... the bravest, strongest man I know. You are faster than a speeding bullet, more powerful than a locomotive, able to leap tall buildings in a single bound and NO ONE could tell me different.*

*I have so many memories of you, I will always treasure. I still remember watching the Lion King with you in the theater at 6 years old and you wore this silly dangling Lion King earring that matched mine. We walked around Tower City that day wearing our earrings together. I thought you were so cool!!!*

*I will always cherish, hear your laugh, see your strength, bravery, and your best qualities... As I look in the mirror everyday and see them in myself.*

*Thank you for being my dad. I will always love and miss you. Rest easy my Superman daddio!*

*Always*

*Your rebel, aka “Croissant”*

“ On July 9, 1966 you were born 2 minutes after me, we shared a lot of good times together till the end. I was with you when you where born and the day that you passed. You maybe gone from my sight, but never from my heart. I will miss you until I see you again. I love you so much Robin

“ You adopted me at the age of 11 but I swear I've known you forever. You were my dad but you were one of my closest friends. I can tell you anything and it's not too much for you to bear. You said " everything is temporary " ...sadness, happiness, anger... that's the foundation for hope Dad! You deserve rest, peace, time to do whatever it is you want to do without worrying about us.

*I hear you everyday and I'm adamant on making you proud of all of us by any means necessary.*

*I actually put my blinker on to turn into the house that looks like yours the other day and that's the first time I realized there's some things only you knew and I'm working through it by knowing what you'd say... ( you'd say nothing ) every-time I turned down the wrong street or slowed down...you'd wait for me to figure it out and when I did, I'd look over at you and you'd say "I'm along for the ride".*

“ I am deeply saddened to learn of Robin's passing. It was always a happy occasion when he would come in to the bank on E 260th...with kids or without kids. Mostly I liked it when he had kids with him. Such a kind gentle man! Rest In Peace, Robin.
