*I visit Cleveland form Pittsburgh on a frequent basis and often think about Ron. Being here this week, I am very shocked and saddened to learn of his passing. He and I worked together at Prime Computer on Rockside Rd. in Independence for about 10 months in 1992 but I reported to him for a total of 2 plus years when I was the Branch Administrator for Prime Service in Cleveland .*

*He was always a joy to work with, communicate with and laugh with. He was a genuine Gentlemen!*

*My deepest sympathies!*

“ Ron and I grew up as next door neighbors for our childhood and into becoming adults. We shared so many good times together working on cars, hanging out, going to dance clubs as the "Italian Stallions" driving around in his Pontiac Firebird and being in each other's weddings. Though we drifted apart over the years, there will always be a place for Ron in my heart as a an exceptional friend, a wonderful father and a caring and loving husband to Judy. May the Lord lift you up in his arms my old friend and comfort your family. God Bless my dear friend.
