“ *We will miss Uncle Gene terribly! I loved him so much. He was a
wonderful uncle, my favorite, always cheerful and fun. I'm happy

“ *I only learned of Gene's passing today. I can say without hesitation
that he was a strong man of faith and that all of us that knew him in
our lives were blessed to know him. He was a humble man with a
kind soul who strived to do the right thing no matter how hard that
could be at times. He put everyone above himself... family, friends,
and co-workers. He set an example that will be up to all that knew
him to continue to uphold and may we all do our best to emulate
him in that regard. I send my heartfelt condolences to his family but
rest assured: We will see Gene again. May he Rest in Peace.*
